

23 May 2016

Tlou Energy Limited
("Tlou" or "the Company")
Change of Holdings in the Company

Tlou wishes to advise that Talon Metals Corp ("Talon"), has today lodged a notice with ASX that it has ceased to be a substantial shareholder of Tlou. On 19 May 2016 Talon sold its entire holding of 14,285,714 ordinary shares of no par value ("Ordinary Shares") in Tlou representing approximately 7% of the total Ordinary Shares in issue. Talon initially notified the Company of this sale of shares on 20 May 2016.

Talon is a TSX-listed company focused on the exploration and development of the Tamarack Nickel Project in the USA and its shareholding in Tlou was a non-core investment for the Talon group.

Talon's Ordinary Shares were sold to a number of new and existing investors in the United Kingdom.
